You may send the ad copy-ready or you may send a sketch on paper along with the photos. If you have a preference, please designate on the sketch where photos should be placed and number the backs of the pictures to correspond to the sketch. You may write the message on paper and it will be type-set for you. If you want a specialized type style, it is recommended that you submit the message in the preferred style.

Please do **not** send photographs or other materials for the ad on disk, CD or e-mail. Most of the time, these electronic transfers do not meet our publishing specifications. Please send copies or print-outs.

On this day, students in ad photographs are allowed to wear alternate dress for the picture. A list of names of students will be needed for group pictures. (Limit: 15 students per group photo)
